## ADDENDUM TO THE AGENDA

**TUESDAY**

**AUGUST 19, 2003**

### Administrative Office

Adopt resolution expressing support for air quality regulations which clean the air and which are based on sound science and include consideration of economic impacts, urging the State Legislature to adopt legislation to address the specific deficiency noted by U.S. Environmental Protection Agency to eliminate the air pollution permit exemption which will only address those agricultural sources identified as "Federal major sources", oppose the passage of Senate Bills 700, 705, 707 and 709 (Florez) in their current form which does not consider economic impacts and expands the level of regulation on San Joaquin Valley farms beyond any other regulated industry; and support legislation to provide research funds to seek viable alternatives to agricultural burning
